## 2024 NPHS Boys Lacrosse Season Family Financial Responsibility

I understand that the North Paulding Lacrosse Club (Booster Club) is a non-profit, self-funded organization that exists to support girls and boys lacrosse activities at North Paulding High School and that the club is made up of dues-paying members.

I understand that I am expected to do my part in support of the organization that supports my student in his/her high school athletic experience. I also understand that should my child be selected to play on the 2023 team, that I am obligated to pay the registration fee and equipment fee, if applicable.

North Paulding High School provides us with a playing field and JV and Varsity Head Coaches. All other necessary items are provided through your participation in the Booster Club. The Booster Club raises funds through registration fees, membership, sponsorship, donations, concessions, fundraisers, and the like. In an attempt to keep our players and coaches focused on the game itself we will do very limited fundraising through outside sales of goods and/or services. Parents are needed to support the Booster Club that supports their student in his high school athletic experience.

The Booster Club charges a \$50 booster fee, which allows one vote per player in the activities of the Booster Club. This fee covers coach stipends, field maintenance (field paint, storage units), league equipment (horns, score books, stringing kits, balls, goals & nets), uniforms (shooting shirt, shorts, and jerseys), and various administrative costs (game filming, coaches clinics, website).

**The 2024 registration fee for the North Paulding High School Men's Lacrosse is \$850, which includes:**

- four tickets (\$40) to the year-end lacrosse banquet
- \$125 player pack: shooter shirts, shorts and yearly team specific item
- \$200 recoverable, fundraising fee. Each player will receive 10 tickets for our raffle to be held at the end of the season. These tickets can be sold by the player at \$20 each to help defray some of the costs.

**Equipment:**

- Helmet: All new players must purchase a team helmet through the online team store. The cost for the NEW Custom Cascade XRS helmet is **\$295** (helmet and decals). Returning players have the option to purchase a new team helmet or continue to use their last season's Cascade S helmet.
- Gloves: All players must have **White Gloves**.

Family Involvement Form**

To have an effective program, we need the involvement and support of every player's family. Accordingly, the Booster Club asks that each family fulfill a set number of service hours, which will be discussed in further detail at the annual booster meeting on **January 22, 2024**.

**Service opportunities include the following activities:**

Committees  
Concessions  
Fundraising  
Transportation  
Senior Night & Pictures  
Year-End Banquet

**Game Day Responsibilities:**

Announcing  
Carpooling for Away Games  
Clock & Score Board  
Concessions  
Field Prep & Clean-up  
Game Stats  
Penalty Box  
Pre-game Meals  
Videotaping

**ALL FAMILIES WILL BE ASKED TO DONATE ITEMS FOR THE CONCESSION STAND

**Please read and acknowledge with your signature below.**

I understand that I am expected to do my part in support of the organization by working with the Booster Club.

I understand that I will be expected to submit a \$150 service deposit check made payable to the NPLC no later than the **January 22, 2024** Booster Club Meeting. This check must be submitted before the player receives his uniform. If I fulfill my family's service responsibilities, I understand the Booster Club will shred my deposit check. If I don't fulfill these responsibilities, I understand the Booster Club will cash my deposit check in its entirety.

Uniform Responsibility**

The team uniforms are the property of the North Paulding High School Lacrosse Club (Booster Club). The Booster Club will collect a \$100 uniform deposit check at the annual booster meeting on **January 22, 2024**. Each player will receive a uniform after selection for one of the high school teams and payment of the \$100 uniform deposit check.

**Please read and acknowledge with your signature below.**

I agree to follow the recommended care for the uniform. The uniforms should be washed and hung to dry. **DO NOT USE MACHINE DRYERS OR BLEACH.**

I agree to return the uniform at the end of the season in normal wear condition. (no holes, tears or excessive staining).

I agree to wash the uniform prior to returning it. If I returned the uniform without first washing it, I understand I will be charged \$10 from my uniform deposit check.

I understand that if I don't return all or part of the uniform or if it is damaged or soiled in any way, other than normal wear, then the Booster Club will use my \$100 deposit check to replace the uniform. I also understand that should the cost be more than \$100 to replace the missing or damaged pieces, that I will be personally responsible for any additional costs involved in replacing the uniform.

I understand that I am to submit a \$100 uniform deposit check made payable to the NPLC by the January 22, 2024 Booster Club meeting should my son be selected for one of the high school teams. If the uniform is returned in satisfactory condition, the Booster Club will shred my deposit check.

**2024 NPHS Boys Lacrosse Season  
Attendance Policy**

All members of North Paulding Boys Lacrosse are expected to dedicate themselves to our program with absolutely no distractions other than family responsibility and schoolwork. Varsity and junior varsity team members are expected to attend all practices, including those in February during the NPHS Winter Break. Practices and game dates may include Saturdays, based on team needs as determined by the Head Coaches. Team members are not allowed to miss practice for any reason other than an absence from school on the day of the event. Routine doctor's appointments unless lacrosse-related, Drivers Ed classes, SAT/ACT prep classes, and family vacations should be scheduled around the lacrosse season. **Unexcused absences** from practices, games, or team events may result, as determined by the Head Coaches, in **dismissal from the roster without a refund**.

Students enrolled in a scheduled class that requires an after-school meeting for a grade may be excused with the expectation that they notify coaches well in advance of the meeting and attend as much practice as possible on that day, even if it is the last five minutes of practice. These students will be expected to fulfill extra responsibilities to make up their missed practice time; these responsibilities will be at the coach's discretion. Each player will be allowed one day of excused absence to participate in an academically based school-sponsored field trip. Players must submit the attached permission form no later than 14 days prior to the field trip.

Any missed practices due to illness and/or injury need to be relayed to the Coach prior to practice and/or games. If a physician is seen for the injury/ailment, a doctor's note with specific dates of appointment and return to play must be provided. Absences without a doctor's visit will require a note/email from parents. Be advised, an absence prior to game dates, regardless of reason may impact playing time, based on the discretion of coaches.

Special exceptions to the attendance policy may be discussed with the team coach and final approval may only be granted by the Varsity or JV Head Coaches. Thank you for your continuing support and dedication.
